

Sponsorship

Since 1995, the Wilmore Aquatics Club has competed in Lexington with the Man O War Swim Conference. Through that time, over 1200 kids from the Jessamine County community had had the opportunity to learn and refine swim techniques, grow in physical and mental strength, at personal goals and contribute to a team while learning good sportsmanship.

Our team operates solely on swim registration fees and sponsors. These things help cover costs of coaching, insurance, pool time and conference fees. To continue to make this affordable for families, we depend on contributions of individuals and businesses. Please consider sponsoring us for not only great advertising in Jessamine and Fayette counties but also for the growth of our kids in the community.
